

# Rota simplicity from the get-go

“ I’ve rarely, if ever, experienced a tech roll out as simple.”

Andy Davis - 77 Retail  
Operates 7 Spars across Belfast

### ROTA PLANNING

**Plan quickly. Update easily.  
Share instantly.**

Packed with features to help you plan rotas quickly! Update from any device - anytime, and instantly share rotas with your staff.

### HOLIDAY MANAGEMENT

**Hassle free holiday request  
and approval process**

The Holiday Focus tool allows you to track your employees annual leave, review any requests for time off and easily calculate holiday pay.

### TIME & ATTENDANCE

**Punch in. Punch out.  
Job done!**

All you need is a tablet! Simply download the app for Android or iOS and let your employees clock in instantly.

### WAGE COST CONTROL

**Control costs and  
optimize your rotas.**

Avoid overstaffing and optimize your rotas to support a more profitable and efficient business with the use of wage cost and productivity insights.

### PAYROLL

**Payroll. The way you roll.**

Whether at home or at the office, keep on top of time records, minimise errors and upload timesheets to your payroll system from any device.

**“Using Gig Grafter,  
we have cut the  
time spent planning  
rotas and managing  
payroll by 75%.”**

**Ken Sharp  
The Salty Dog Hotel & Bistro  
Bangor**
